

Charity Registration Form

057217

Registration and Annual Filing are two separate requirements. A charity must register to conduct operations in Massachusetts (see M.G.L. c. 12, § 8E). Once registered, the charity must submit annual filings (see M.G.L. c. 12, § 8F). Those annual filings are posted on the AGO website for public review.

- Please include all the items on the checklist and include a copy of the completed checklist itself as a cover sheet. Any omission will delay your registration.
- There is a one-time fee of \$100 to register a charity in MA.
- You may need to submit additional forms, attachments and fees depending on whether your initial FYE date has passed or is in the future, and on whether you have solicited or intend to solicit funds (or have solicitation conducted on your behalf). Please attend to the detailed instructions provided for your situation through the links below.
